~Save the Date~

Autism Spectrum Disorders

Saturday, November 13, 2010

8:00 am - 12:30 pm

FREE CME

The Washington Post Conference Center
1150 Fifteenth Street NW
Washington, DC 20071

Keynote Speaker

Marshalyn Yeargin-Allsopp, MD, FAAP

**Medical Epidemiologist and Chief of the Developmental Disabilities Branch
Centers for Disease Control and Prevention (CDC)**

~ Program Objectives ~

- *Implement guidelines and screening tools for the early identification and referral of children at risk for autism spectrum disorders*
- *Understand the multidisciplinary assessment process for establishing a diagnosis on the autism spectrum*
- *Discuss the newly proposed DSM-V guidelines for classification of autism spectrum disorders*
- *Identify the range of best practices for treatment of children with autism spectrum disorders*
- *Use the American Academy of Pediatrics guidelines to define the role of the primary care medical home in the management of autism spectrum disorders*
- *Learn how cultural factors and disparities may influence the process of diagnosing and treating autism spectrum disorders*

~Target Audience~

Primary Care and Specialty Physicians and Nurse Practitioners, Psychologists, Speech and Language Pathologists, Social Workers, Occupational Therapists, Counselors, Educators and other school and community-based professionals

HSCSN designates this educational activity for a maximum of 4 credits AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. Georgetown University School of Nursing & Health Studies is an approved provider of continuing nursing education by the Maryland Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. CEU credit for Social Workers is pending.
